

2025 Year In Review

Mission: "Empowering and supporting youth agricultural education and leadership development in Sonoma County."

Vision: "To promote and inspire Sonoma County youth participation in agriculture, leadership and educational activities through scholarships, grants and a place for youth to meet."

Who We Are

The Youth Ag & Leadership Foundation of Sonoma County is a nonprofit 501(c)(3) organization established in 1982 to support and empower youth through agricultural education and leadership development. The Foundation provides grants to youth clubs and countywide projects, activities, and events to strengthen and expand their programs. In addition, the Foundation proudly awards educational scholarships to deserving young men and women pursuing college and trade school education.

In 1994, the Foundation constructed the Sonoma County Center in Rohnert Park. The Center serves as a hub for club and county events, adult leader and member training, outreach programs, and general meetings. The Foundation continues to operate and maintain the Center and is governed by a Board of Directors with expertise in finance, education, business, and agriculture.

Scholarship Program

The Youth Ag & Leadership Foundation proudly awards educational scholarships to deserving young men and women pursuing college and trade school education. With the addition of two new scholarships in 2025, we reached a record level of awards for seniors pursuing degrees in agriculture. In 2025.....
